Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Charle Wood (Prose Applicant) called to inquire about the missing letters "e" or "o" as indicated in the office action. Told Mr Wood that the specified issue above has been resolved by rescanning with the best available copy sheet (replied from Scanning Customer Support Team on September 6, 2005, as requested from examiner). Mr. Wood still insisted that the claims have been missing (missing claims 18-22). Examiner again told Mr. Wood that this issue is beyond examiner control and the examiner can only examine the case based on what viewable from IFW. Mr Wood told that he's not trusting examiner on this issue and with the way the examiner rejected his claims. Examiner told Mr. Wood that examiner is trying the best within his duty to work on the case and respectfully for his opinions, but any concerns, disagreement or opinions toward the examiner should be presented in his response for records.
